“Good students are not those who just answer the questions. Good students are those who learn to ask questions” and the institute has always played a huge role in making of such a good student by arraigning discussions, seminars talks, etc.

The matter of the moment in January, 2020 "Abrogation of Article 370" was discussed in a symposium which was successfully attended by students and

was critically reviewed. CDC Chairman Nitin Apte Sir also presented his analysis and fathom the event.

Another symposium was organised on "Amendment to CAA by Indian Parliament". The event observed various views which were highly distinguished. Students from 1st BALLB also took part in the event and were given the opportunity to learn and develop new skills at their nurturing stage.

The College also have organized a seminar on the topic 'No to Plastic, Yes to Earth' in collaboration with Kirloskar Vasundhara on the 7th of January 2019. Dr. Sheetal Babar and Adv. Supriya Dangare were the esteemed guests of this seminar. They have successfully conducted interactive session with the students of 3rd BALLB.

In the line of events, the Internal Committee of the college in collaboration with Dhistri stri adhyan kendra have arranged a panel discussion on sexual harassment of women at workplace. There were 4 panellists in the said event. Mrs. Archana Gondhalekar from Judiciary, Adv. Nilima vartak from Pune bar, Mrs. Asmita kelkar from NGO and PI Vaishali Chandgude from "Bharosa Cell" of Police Department had been called for discussion on the said topic. It was very intuitive and enlightening event. The student representative from Internal Complaint Committee of College felicitated the guests and were grateful to hear from such honoured personalities.

The most celebrated and significant event of the department which is organised every year was titled as "AGNISHIKHA" this year. The National Seminar and Bill Analysis Competition took place and the theme was based on Nuclear Energy Law. Esteemed Dr JC Kapoor - Director of DRDO was the chief speaker and delivered the lecture on "Global perspective of Nuclear Energy". It was indeed a great opportunity to learn from sir. Other imminent speakers were Prof. Dr. S. F. Patil, Dr Jayant Gadgil, Dr Shrikant Paranjape, Dr

Chandrashekhar Karhadkar, Dr Priyanka Jawale, Adv Aparna Bhide, Dr Ananya Bibave. The occasion was appreciated and successfully accomplished.

In the bill analysis competition, only preliminary round was held and results were declared on the scores of that round because of the less number of entries received this year. The theme Nuclear Energy Law is emerging nowadays and has wide scope of interpretation.

The academic year 2019-2020 was very well acquainted with sensational and astounding seminars which were conducted in way of different activities. This way they were made interesting and knowledge-gaining experience for the students as well as attendees.
