श्री.नवलमल फिरोदिया विधी
महाविद्यालय, पुणे
नमस्कार,

श्री.नवलमल फिरोदिया विधी महाविद्यालय आणि वनवासी कल्याण आश्रम यांच्या संयुक्त विद्यमाने नोव्हेंबर 2020 मध्ये वनवासी भागात महाविद्यालयाच्या द्वितीय वर्षाच्या स्वप्निल नामेकर आणि श्रीनाथ शिंदे या दोन विद्यार्थ्यांनी अभ्यास दौरा केला. कॉलेज च्या 'लीगल एंड सेल' तर्फे वनवासी भागात कायद्याविषयी ज्ञान नसलेल्या लोकांना कायद्याविषयी असणाऱ्या अडचणी सोडविण्यासाठी मदत करते आणि त्या दृष्टीने स्वप्निल ने बारीपाडा जामुनपाडा, कोसवन, गांधीनगर या जनजाती पाड्यांचा दौरा केला.

तेथे जाण्यापूर्वी त्यांनी PESA Act, Forest Right Act, Governance In Non schedule Areas आणि National Tribal Policy या काही मूलभूत गोष्टींचा अभ्यास केला व त्या अनुषंगाने तेथील दौरा करण्याचे ठरवले. तिथे सदरील आदिवासी पाड्यांना भेटी देत असताना नेमक्या वाचलेल्या तरतुदींची तिथे सद्यस्थिती काय आहे. आणि वनवासी कल्याण आश्रम आणि विधी महाविद्यालय म्हणून विद्यार्थ्यांना काय करता येईल अशा बऱ्याच गोष्टी पुढे आल्या. स्थानिक बांधवांशी संवाद साधताना असे जाणवले की कायद्याच्या चौकटीत राहूनही त्यांना त्या कायद्याची व नियमांची फार भीती आहे आणि जणू काही हे नियम म्हणजे आपल्याला अडकवण्यासाठी काहीतरी केले आहे अशी त्यांची समज पक्की होत आहे, ती कदाचित त्या बदलच पुरेस ज्ञान नसल्याने असावी.

वनहक्क संरक्षण कायद्याच्या तरतुदी नुसार स्थानिक वनवासी बांधवांचा त्या वनात/जंगलात काय अधिकार आहे. किंवा नाही याबद्दल त्यांच्या मनात अस्पष्टता आहे ज्यामुळे त्यांचा गैरफायदा घेतला जात आहे. असे जाणवले. या अभ्यास दौऱ्या दरम्यान खूप काही गोष्टी शिकायला मिळाल्या वनवासी जनजीवन, भारतीय संस्कृतीशी त्यांच्या आजही जपून असलेली नाळ जी की आपण आज पाहतो शहरीकरण आणि पाश्चिमात्याकरण याच्या नावाखाली मोठ्या प्रमाणावर तोडली गेली आहे ती आजही तिथे जपून आहे, कायम आहे.

वनवासी बांधवांना जवळून जाण्याची आणि त्यांना बदलत्या जगात त्यांच्या हक्काच्या गोष्टी मिळवून देण्याची थोडक्यात हक्काची जाणीव करून देण्याच्या उद्देशाने श्री. नवलमल फिरोदिया विधी महाविद्यालय आणि कल्याण आश्रम यांनी असे ठरवले की कॉलेज च्या जे 'लीगल एंड सेल' मार्फत जे काही उपक्रम घेणे शक्य असेल ते वनवासी भागात घेण्याचा प्रयत्न करूयात. ज्यामुळे विद्यार्थ्यांना प्रत्यक्ष त्यांच्या क्षेत्राचा कार्यनुभव घेता येईल. नक्कीच यातून प्रत्यक्ष किंवा अप्रत्यक्ष राष्ट्राच्या प्रगतीस हातभार तर लागेलच पण त्यापेक्षा ही एक सामाजिक जाणीव असलेला युवा वर्ग निश्चितच तयार होईल.

आपला विश्वासू

Subject: Letter of Gratitude and Appreciation

Dear Rutuja,

We are grateful for your contribution as a Coordinator/Programme Officer for **One Day Seminar on 'The Environment: Law & Awareness'** organised by your college in association with our college.

The in-depth knowledge and critical analysis of the subject shared during this Seminar will definitely guide and motivate our students stepping out in the competitive world.

On behalf of the Deccan Education Society's Shri Navalmal Firodia Law College, Pune, we extend our sincere appreciation and gratitude for sparing your valuable time for coordinating this event and organising such an inspiring and thought provoking, academically excellent seminar for students on 21st August, 2018.

Thank you and looking forward for your continuous support in future.

With best wishes for your future endeavours.

Report

Orientation programme on "Emerging Sustainable Approaches to Climate change" was organised by ENVIS centre on Environmental Law and Policy(Sponsored by Ministry of Environment Forest and Climate Change), National Law School of India University, Bengaluru in collaboration with DES Shri Navalma Firodia Law College, Pune" on 25th August 2018

Government of India in December, 1982, established an Environmental Information System (ENVIS) as a plan programme under the EV Division of the Ministry of Environment Forest AND Climate change. ENVIS centre on Environment Law and Policy at National Law School of India University is established in September, 2017 at NLSIU Campus as ENVIS focal point under the aegis of Ministry of Environment, Forest and Climate change, Government of India.

It was the first time that the centre reached outside the state of Karnataka and accepted our invitation to conduct **Orientation programme on Emerging Sustainable Approaches to Climate Change** in collaboration with DES's SNFLC.

This orientation session was organised both for **teachers as well as students**. More than 150 participants were registered from UG and PG law program. Students and faculties from Environmental science were large in number along with the law students and faculties of DES SNFLC.

There were four sessions conducted under this programme. First session was on 'Climate Change – An Overview of Global Negotiations' delivered by Mr. Saurabh Ubale, Programme officer and Faculty, DES SNFLC. It was followed by two sessions one on Climate Change – The Human Rights Dimensions and one on Climate Change the ILO Perspective –An insight into the Green Jobs Concept by Dr. Anuja S. ,Coordinator, ENVIS Centre on Environmental Law and Policy and Faculty at National Law School of India University Bengaluru. The last session was conducted on Climate Change- The Emerging Need of for Social Corporate Responsibility in India by Dr. Shyamtanu Pal, Faculty School of Law, Christ Deemed to be University, Bengaluru. Moneylife Foundation conducts several such seminars & workshops relating to RTI and other topics of importance at various venues. It is a Development Partner of Advocates for International Development and a Member of OECD's International Network on Financial Education. They also received the 10th M.R. Pai Memorial Award in September 2014 for their outstanding work. Thus, DES SNFLC in association with Moneylife Foundation organised One Day Workshop on 'Right to Information' on 10th December, 2018 to mark International Human Rights Day. This workshop was organised for the members of Legal Research Cell, NSS and Moot Court Society of DES SNFLC. In the workshop an overview about the RTI Act was given by Mr. Shailesh Gandhi, Former Central Information Commissioner. Dr. Anupam Saraph, Trustee, Moneylife Foundation conducted session on Sec. 4 and how it would help better governance, followed by live examples of how people have used RTI to empower themselves and RTI Filing Demo given by Ms. Vinita Deshmukh Senior Journalist, RTI columnist & activist.

The workshops began with the participants introducing themselves and talking about their expectations from the one-day events. Most of them had come to the workshops with the expectation of learning about right to information, its value and importance and the key provisions of the Right to Information Act 2005. The introductory session explained the overall purpose and specific objectives behind organizing the workshop. It is important that all citizens of India are aware of it. NGOs play an important role in spreading awareness about RTI Act at the grassroots. He urged the participants to become fully aware about the key provisions of the Act, so that they in turn can educate others. After this, speaker explained in brief the role that her organization had played in advocating for a good RTI Act in India and the training programs that it is undertaking for government officials and for civil society throughout the country.

Introduction to Right to Information and its Value

Mention of the historical evolution of the RTI Act in India. The speaker drew up a linkage between RTI and its relevance for having good governance. The key attributes of good governance include:

- Transparency

- Responsibility
- Accountability
- Participation and
- Responsiveness to the needs of the people

In order to ensure good governance one of the pre-requisites is the right of citizens to have access to government held information. Accessing information as a matter of right is called Right to Information. The Right to Information is a fundamental right under the Constitution of India. It is a part of Article 21, which states that information is necessary for protection of the right to life and liberty. According to Article 19(1)(a) information is necessary to form and express opinions, dissent or support on any matter.

Right to Information Act 2005

In this session, the speakers explained the main provisions of the RTI Act in details. The presentation was substantiated by real life examples and case studies on how people have accessed information under existing state RTI laws.

In order to obtain information under this Act, citizens must make a request in writing or through electronic means in English or Hindi along with an application fee of Rs. 10 to the PIO. If no action is taken on application for 30 days, then it will be deemed refusal.

Appeals Mechanism: In case the information asked for is not provided or the fees charged are unreasonable, the person who has asked for the information can appeal to the departmental appellate authority. The first appeal can be made to the officer immediately senior to the PIO in the concerned public authority. This can be done within 30 days from the date of the refusal letter. If the decision of the first appellate authority is upheld then the requestor can appeal to the State Information Commission.

State Information Commission

The Act establishes a State Information Commission (SIC) in all the states. The SIC has been given broad powers to hear appeals and have also been tasked with regular monitoring of the law (including production of annual reports). The Commission can make any order required to bring about compliance with the law, including ordering release of documents, appointment of PIOs and publication of specified information.

Seminar Note

Plastics have overtaken our lives. However hard we try not to use it, it manages to sneak in. Plastic is always at our immediate reach, be it keyboard, computer mouse, monitor, vegetable chopping board, plastic bag, toys, automobile parts etc. We can't escape the use of plastic in our day to day life, isn't it?

This is because of the very nature of this substance. It is light, durable, easy to produce, unbreakable, odourless and chemical resistant. However the adverse impact of this substance on the entire world is that it is non-bio-degradable which has become a challenging problem before all of us. Plastic is clogging drainage, causing floods, choking animals and in fields it blocks vegetation and prevents rainwater absorption. It is also endangering Marine life. Thus, Plastic Pollution is damaging the health of our planet. Plastic waste represents a single use throw away culture. This throw away culture is suffocating Mother Earth.

In the year 1999, India passed The Plastics Manufacture, Sale and Usage Rules, then Solid Waste Management Rules and then Plastic Management Rules with amendment in 2016 and the list goes on in International Law also. On 5th June 2018, the World Environment Day was celebrated by adapting to the theme **BEAT PLASTIC POLLUTION** with the aim to focus on the growing issues of plastic pollution and to combat this disaster.

However, to take care of these problem regulations alone are not adequate. It requires strong voluntary actions from all of us. We must remember the three R's that are **reduce** the use of Plastic, **Recycle** the resources and **Reuse** the available resources in order to protect our beloved Mother Earth.

Raising awareness of this issue will help people to seek alternatives to plastic in daily life.

Covering these aspects **Dr. Shilpa Sharma** (Faculty, G.H. Raisoni Law School, Nagpur) will be taking on "Combating Plastic Pollution: A Legal Perspective". And our second resource person **Ms. Rupali Gaikwad** (Head & Faculty, Environmental Science Department, Fergusson College, Pune) will be covering the scientific perspective.
