Internal Examination Policy (Physical/Online)

There are many officials involved in the mechanism of Internal Examination as listed below-

1. Examination Department
2. Office
3. Class Teachers
4. Subject teachers
5. Visiting Faculty
6. Students
7. Internal Exam in-charge/ Committee

Considering the role of every official, the possible policy can be formulated to avoid confusion amongst the students & teachers.

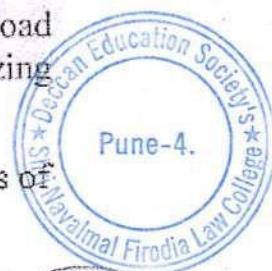

Usually there are 90 or more than 90 teaching days in the announced term. During these 90 days, teachers are supposed to complete the prescribed syllabus.

During the same period of 90 days, SPPU invites exam forms from the students. This process, though lengthy, is completed by all, i.e. regular, backlog & equivalence students.

Once this formality of filling up the forms is complete, students are well aware of preparation for the respective papers they have opted for. Similarly the Exam section & office get the summary of students' names, SPPU Seat no., the list of papers opted for, no., names of backlog papers & those of equivalence too.

In due course of time (may be 20-30 days before) the SPPU opens the link for filling up the internal marks. The teachers get ample time to arrange (with a proper time-table), conduct viva-voce / presentation, fill up the marks & upload the preview, entertain the queries in 48 hours after the preview, & then finalizing the mark-list.

With this notion, following guidelines (subject to change as per the directions of authorities only) for various officials are proposed.

1. Examination Department

- i) To announce the dates & deadlines of filling up examination form
- ii) To instruct the internal exam committee to frame a time-table & display it

iii) To instruct the office to provide the summary to the internal examination in-charge immediately after receiving it from the SPPU.

iv) To solve the examination related queries of students, teachers & office.

2. Office

i) To provide the summary of students' names & seat numbers.

3. Class Teachers

i) To forward the dates & deadlines of filling up examination form to the students frequently by possible means. (Orally, what's app)

ii) To instruct the subject teachers & Visiting faculty to invite assignments prior to the announcement of viva voce/presentation.

iii) To instruct the visiting faculty about internal exam at the time of appointment & forward the reminders of the same time to time.

iv) To instruct the students that they cannot appear for viva voce/presentation if they fail to submit written assignment on/ before the given deadline.

4. Subject teachers

i) During the entire teaching span of 90 days the subject teacher or visiting faculty can forward the question/s of internal examination & give them deadline of online submission of scanned copies of handwritten assignments.

ii) To instruct the students that they cannot appear for viva voce/presentation if they fail to submit written assignment on/ before the given deadline.

iii) Students must be asked to show the id-card & switch on the camera during the online viva voce.

iv) If the internal examination is physically conducted, the subject teacher has two options (depending on the time required for assessment of written papers)

as – A) To collect the assignments on or before the pre-decided date by him/her.

B) To ask the students to submit the assignments at the time of viva-voce/presentation.

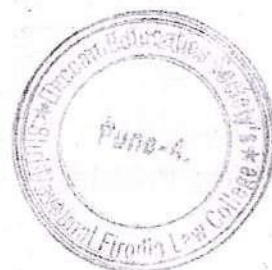

5. Visiting Faculty

- i) Visiting faculty can forward the question/s of internal examination & give them deadline of online submission of scanned copies of handwritten assignments.
- ii) To instruct the students that they cannot appear for viva voce/presentation if they fail to submit written assignment on/ before the given deadline.
- ii) Visiting faculty shall assess the assignments & conduct the viva voce as per the schedule conveyed to them. Students must be asked to show the id-card & switch on the camera during the online viva voce.
- iii) After finalizing the mark-list they shall submit it with the class-teacher who would be responsible for uploading it on the SPPU website.

6. Students

- i) Students must follow the dates & deadlines of the submission of written assignments.
- ii) Students must follow the time-table of viva-voce/ presentation without fail.
- iii) Medical emergency, representing college in any competition shall be considered for switching his/her appearance in succeeding / preceding batches if the relevant documents justifying default are submitted with the class teacher & subject (even if visiting) teacher by the student. The said applications should be mailed to the prescribed e-mail address in case of online internal examination.
- iv) Students who are defaulters of appearing for viva for any reason not mentioned above shall appear for the same in the next term as the viva-voce would continue batch-wise, for 3-5 days.
- v) After the conclusion of viva-voce & display of pre-view of internal marks, for whatsoever reason, absent students shall not be considered for written or oral submission.
- vi) Students must carry the id-card (in both physically/online conducted viva-voce) & switch on the camera during the online viva.

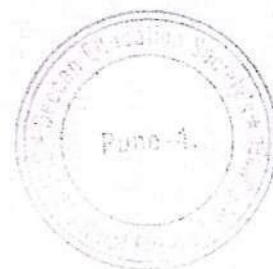

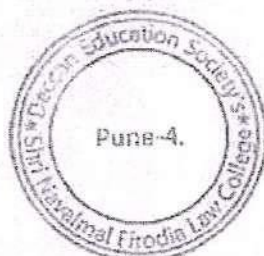

7. Internal Exam in-charge / Internal committee (Exam CEO, Internal Exam in-charge & class teacher)

- i) To display the batch-wise (batches of regular, backlog & equivalence students.) time-table of Internal Examination when the SPPU link of internal exam will be open.
- ii) To keep the record of Internal Marks of all the batches of regular, backlog & equivalence students.

Guidelines for students:-

- i) Students must follow the dates & deadlines of the submission of written assignments.
- ii) Students must follow the time-table of viva-voce/ presentation without fail.
- iii) Medical emergency, representing college in any competition shall be considered for switching his/her appearance in succeeding / preceding batches if the relevant documents justifying the default are submitted to the class teacher & subject (even if visiting) teacher by the student. The said applications should be mailed to the prescribed e-mail address in case of online internal examination.
- iv) Students who are defaulters of appearing for viva for any reason not mentioned above shall appear for the same in the next term as the viva-voce would continue batch-wise, for 3-5 days.
- v) After the conclusion of viva-voce & display of pre-view of internal marks, for whatsoever reason, absent students shall not be considered for written or oral submission.
- vi) Students must carry the id-card (in both physically/online conducted viva-voce) & switch on the camera during the online viva.
